Memo No. 27.71.0000.002.01.005.13-1304

Date: November 9, 2014

**TO WHOM IT MAY CONCERN**

This is to certify that, we tested Airco Saver (Energy Efficiency Device for Air Conditioners) as a pilot project & the installation was carried out by Shobuj Bangla Energy. We noted an average energy savings 20% with the Airco Saver(s) installed without compromising cooling comfort.

We would have no hesitation in recommending AIRCO SAVER to potential customers as a cost effective way to reduce electrical consumption & green house gas emissions.

Our best wishes to Shobuj-Bangla Energy.

Yours Faithfully,

(Md. Monjurul Alam)
