To Whom It May Concern

RE: AircoSaver Energy Saving Device

This is to confirm that we have installed total 41 nos. energy efficient device namely "Airco Saver" to the air conditioners at our three branches/offices recently from Shobuj-Bangla Energy.

It was found that after installation of the devices "Airco Savers" to the air conditioners, the electricity bills has been reduced to on an average 15-20%.

Yours Faithfully
